12 NOVEMBER 2026

N8N WORKFLOW AUTOMATION HACKATHON

AUTOMATHON 2.0

OFFICIAL RULE BOOK

DATE	TIME	VENUE	TEAM SIZE
12 Nov 2026	9:00 AM - 5:00 PM	MCE, Hassan	3 Members

SECTION 01

About the Event

Automathon 2.0 is the second edition of our n8n workflow automation hackathon. Participants build real, working automations across three progressively harder levels within a fixed time limit.

3	3	2h
LEVELS	PER TEAM	PER LEVEL

₹499

REGISTRATION FEE PER TEAM

SECTION 02

Schedule

10 November 2026

Registrations close

11 November 2026

ONLINE

n8n training — installation and 2–5 starter workflows. **Mandatory for all registered teams.**

12 November 2026

9:00 AM – 5:00 PM · OFFLINE

Hackathon at MCE, Hassan

The detailed hour-by-hour schedule will be shared before the event.

SECTION 03

Eligibility & Registration

- Open to students of any college.
- Participants must carry a valid **college ID card** for check-in. Each participant receives a wristband at check-in and must wear it throughout the event.
- Registration is done **only** through the official form.
- Every member must be registered. Substitutions after **10 November 2026** are not allowed.
- Registration fee is **₹499 per team**. Fees are non-refundable.

REGISTER NOW →

SECTION 04

Teams

- Team size: **3 members**.
- One person cannot be part of more than one team.
- Team name must be appropriate and unique.
- Each team nominates one team lead as the point of contact.

3

MEMBERS PER TEAM

SECTION 05

Competition Format

The hackathon has three levels. Teams move to the next level only after clearing the current one.

LEVEL 01

Easy

10:00 AM – 12:00 PM

2 hours

LEVEL 02

Difficult

12:15 PM – 2:15 PM

2 hours

LEVEL 03

Very Difficult

2:30 PM – 4:30 PM

2 hours

- Problem statements are released to all teams at the same time at the start of each level.
- A level is cleared only when the team's workflow meets the stated success criteria, as verified by a judge.
- There is a 15-minute break between levels. The next level starts at its scheduled time.
- Teams that do not clear a level are eliminated and cannot attempt the next level. They will still receive a participation certificate.
- Teams that reach Level 3 are evaluated by the judges, and the judges decide the final rankings.

SECTION 06

Tools & Resources

ALLOWED

- n8n (local installation / via Docker, or n8n Cloud).
- Official n8n documentation, community forum, and templates.
- Any AI assistant, such as ChatGPT or Claude, for help while building.

NOT ALLOWED

- Importing a workflow built before the event started.
- Copying a complete solution from another team or from the internet.

AI INSIDE WORKFLOWS

Any AI used in a submitted workflow must run on a **local model, such as Ollama**. Cloud AI services and API keys (ChatGPT, Claude, Gemini, Grok and similar) are **not allowed** inside workflows. Other online services such as Telegram, Gmail, Google Sheets and webhooks are allowed.

EQUIPMENT

Teams must bring their **own laptops and chargers**. The organizers will not provide laptops. Each team must start with a fresh, empty n8n workspace.

SECTION 07

Submission

- The organizers share a submission link for each level.
- Teams must submit their workflow through the link within the time limit of that level.
- When the time limit ends, the submission link is closed and late submissions are not accepted.
- Teams that do not submit within the time limit are eliminated from the hackathon.

SECTION 08

Judging, Prizes & Certificates

- Judging is done by a panel of judges, supported by mentors.
- Tie-breaker: **time taken to complete**.
- The decision of the judges is final.

TOP 3

PRIZES

The top 3 teams among those that reach Level 3 receive prizes.

LEVEL 3

CONSOLIDATED CERTIFICATE

All other teams that reach Level 3 receive a consolidated certificate.

L1 · L2

PARTICIPATION CERTIFICATE

Teams eliminated at Level 1or Level 2 receive a participation certificate.

SECTION 09

Code of Conduct

- Treat participants, mentors, judges, organizers, and venue staff with respect.
- Harassment, discrimination, abusive language, and bullying will not be tolerated.
- Follow the venue's rules and keep the premises clean.
- Do not disturb other teams, and do not tamper with their systems, networks, or accounts.
- Do not misuse the event's network or API keys for anything outside the hackathon.
- Follow the instructions of the organizers at all times.

SECTION 10

Disqualification

A team may be disqualified, **without refund**, for any of the following:

- Plagiarism or submitting a pre-built workflow.
- Sharing solutions with, or copying from, other teams.
- Using unauthorised tools or outside help, including cloud AI services or API keys inside a workflow.
- Tampering with the evaluation, other teams' work, or the venue's systems.
- Violating the Code of Conduct.
- Providing false information during registration.
- Misbehaving with organizers, judges, or mentors.

Disqualification is decided by the organizing committee and judges. The decision is final.

SECTION 11

Logistics

ACCOMMODATION
Will **not** be provided by the organizers.

LAPTOPS
Teams must bring their own laptops and chargers.

FOOD
Food and refreshments will be provided.

SECTION 12

Organizers' Rights

- The organizers may change the schedule, rules, or problem statements if necessary, with notice to participants.
- Any dispute will be resolved by the organizing committee, and its decision is final.
- By registering, teams agree to all terms in this rulebook.
